Type of Groups to be covered

This plan is primarily for homogeneous group of customers who have taken loan / credit from banks / financial institutions and other lending agencies providing different types of loans, Groups like credit card holders, depositor/creditor groups, affinity groups and other types of informal groups.

Plan Benefits

The product offers two cover options to choose from:

Option A: Level Cover: The Sum Assured will remain level throughout the coverage term

Option B: Reducing Cover: The Sum Assured will decrease in line with the loan repayment schedule. The reduction in Sum Assured shall be as per interest rate considered at the time of risk commencement for the member. Sum Assured reduces on a monthly basis during the term of the coverage as per the benefit schedule set at inception.

The plan provides cover in case of an unfortunate death of the member. The details of the benefits are as per the table below:

Events	How and when benefits are payable	Benefit Amount
Death	On death of the insured member during the coverage term.	Option A: Level Cover, In case of death of the member original Sum Assured as opted at inception is payable. Option B: Reducing Cover, Sum Assured at the time of death, as per the benefit schedule is payable.
Maturity	Not applicable	Nil
Surrender	For credit linked schemes: On full prepayment/ foreclosure of the loan. For Non-credit linked schemes: As per Member/MPH request to surrender	As defined be in item 5 under Other Benefits section

In case of lender borrower schemes under Regulated Entities, the Insured Member shall have an option to issue an authorization in favor of the Company to the effect that in case of an insured event during the Coverage Term, the claim amount, if any, payable under the Policy shall first be utilized for payment to the Master Policyholder to the extent of the outstanding loan amount as specified in the Credit Account Statement and the balance amount, if any, payable under the Policy will be payable to the Claimant. Where no such authorization is received by the Company from the Insured Member, or the Master Policyholder does not fall under the below mentioned regulated entities, the entire claim amount shall be payable to the Claimant on the occurrence of the insured event. Regulated Entities shall mean to include the following:

- a) Reserve Bank of India ("RBI") regulated Scheduled Commercial Banks (including co-operative Banks),
- b) NBFCs having Certificate of Registration from RBI or
- c) National Housing Bank ("NHB") regulated Housing Finance Companies
- d) National Minority Development Finance Corporation (NMDFC) and its State Channelizing Agencies
- e) Small Finance Banks regulated by RBI
- f) Mutually Aided Cooperative Societies formed and registered under the applicable State Act concerning such Societies
- g) Microfinance Companies registered under Section 8 of the Companies Act, 2013
- h) Any other category as approved by the Authority

Other Benefits

1. Moratorium Options (available only with loans)

This feature is applicable only for Reducing Cover option. If loan repayment starts after a certain time from the date of the loan disbursement, then the member will be eligible for the moratorium period benefit as per the loan terms and conditions. Outstanding benefit at start of the moratorium period shall remain unchanged up to the end of moratorium period, and thereafter it shall decrease as per the benefit schedule. The range of moratorium period allowed is from 3 months to 4 years only and moratorium period will be available in multiple of 1 month

2. Co-Borrower Options

Under credit linked schemes, if there is more than one borrower for the same loan, the cover can be offered on a 'First Death Basis' or 'Loan Share Percentage Basis'.

a) First Death Basis:

In this option maximum of 2 members can be covered. Each borrower shall be insured for 100% of the Sum Assured. In the event of death of any one of the borrowers, the applicable benefits as per the benefit schedule shall be paid and the coverage for the surviving co-borrower shall cease thereafter. In the event of simultaneous death of both the co-borrowers, applicable benefits amount shall be payable only once as stated in Certificate of Insurance.

In case the claim of any of the borrowers under First Death Basis, is repudiated (including death due to suicide within one year of Coverage Commencement Date), the coverage of the surviving borrowers shall continue as per the Policy terms and conditions.

Discount of 15% is applicable on younger life in case of First Death Basis Coverage.

b) Loan Share Percentage Basis:

In this option maximum of 5 members can be covered. Each borrower is insured up to his/her share of the Sum Assured in the proportion of their respective loan share percentage. On the death of one of the borrowers, the company will pay the applicable benefits as per the benefit schedule of the deceased borrower. On payment being made on the borrower's Death, the insurance coverage of that borrower only shall terminate and the insurance coverage of the surviving co-borrowers shall continue.

3) Discount on Female Lives:

There is a set-back of 3 years for female lives on the male rates

4) Maturity Benefit

There is no maturity benefit under any of this plan.

5) Surrender

The option for Surrender lies with Master Policy holder as well as member:

i. Surrender by Master Policy Holder

The Master Policyholder can terminate the Master Policy at any time by providing 90 days' prior written notice to the company. Existing Insured Members will have the following options:

- a. Continue their insurance coverage. Company will continue to service such members till their coverage is terminated.
- b. Terminate the insurance coverage and take the surrender value.

ii. Surrender by Insured Member

On foreclosure or full prepayment of the loan in case of credit linked schemes, and anytime incase of other then credit linked schemes, the member may request for surrender of his membership anytime during the coverage term.

The surrender value would be applicable as per below mentioned formula:

60% of Single Premium * (Unexpired coverage term (in completed months)/ Total coverage term) * (Coverage In-force / Initial Coverage Amount)

Where, Single Premium is excluding underwriting extra, rider premiums and taxes, if any and Coverage In-force means original sum assured chosen at inception (in case of level cover) or the benefit amount as per the Benefit Schedule (in case of reducing cover option) as on the monthly plan anniversary immediately before the date of surrender of the policy.
