On unfortunate demise of the Insured Member during the Policy Term, the Sum Assured shall be payable to the beneficiary.

3) Non Employer-Employee Scheme:

In case of Parents of School/College going children who are given coverage under this scheme, Company will offer two options of availing the death benefit either in lump sum or as staggered payments by the beneficiary.

Staggered payments - The beneficiary will receive payouts in the form of monthly/annual installments over a period of 2 years to 15 years in either monthly or yearly mode at an interest rate of 5% per annum. The first staggered benefit installment will be payable immediately on the date of death. The staggered benefit installment will be calculated using the following factors depending upon the staggered benefit payment period multiplied with death benefit amount and divided by 1,000.

Staggered Benefit Factors per 1,000 Death Benefit		
Chosen Period for Staggered payment (in years)	Frequency (Payable in advance)	
	Annually	Monthly
2	512.20	43.64
3	349.72	29.80
4	268.58	22.89
5	219.98	18.74
6	187.64	15.99
7	164.59	14.02
8	147.35	12.56
9	133.99	11.42

During the staggered benefit payment period, if a beneficiary wants to take all future balance monthly/yearly payments as a lump sum, the lumpsum benefit payable will be equal to the discounted value of the all future balance staggered benefit payments at an interest rate of 5% per annum.
