Loan

Loan can be availed any time after six months from the date of commencement of the policy. Maximum amount of loan that can be availed under the policy shall be such that the effective annual interest amount payable on loan does not exceed 50% of the annual annuity amount payable under the policy. Under Joint Life option, the loan can be availed by the primary annuitant and on death of the primary annuitant, it can be availed by the secondary annuitant.

The interest on loan shall be at 10-year G-Sec rate per annum as on 1st April, of the relevant financial year, as published by M/s. FBIL, plus 200 bps and shall be applicable for all loans granted during the period of twelve months, beginning 1st May of the relevant financial year. The current applicable rate of interest for 1st May 2020 – 30th April 2021 is 8.77% per annum, which is charged on the basis of simple interest.

The loan interest will be recovered from the annuity amount payable under the policy. The loan interest will accrue as per the frequency of annuity payment under the policy and it will be due on the date of annuity. The loan outstanding shall be recovered from the claim proceeds under the policy. However, the annuitant has the flexibility to repay the loan principal at any time during the currency of the annuity payments.

Surrender

It is recommended that you continue with your policy to avail all benefits. However, in case of emergency you have an option to surrender the policy at any stage after six months from the date of commencement, if the annuitant (primary/secondary) or the spouse or any of the children of the annuitant (primary/secondary) is diagnosed as suffering from any of the critical illness specified below, based on the documents produced to the satisfaction of the medical examiner of the Insurer.

On Approval of surrender, 95% of the Purchase Price shall be paid to the annuitant, subject to deduction of outstanding loan amount and loan interest, if any. On payment of surrender value, the policy stands terminated. For the purpose of surrender value calculation, the Purchase Price excludes taxes, if any. Any change in the surrender value calculation method shall be applicable only after prior approval of IRDAI.
