Section Seven: Force Majeure

1. As per Schedule I(2)(A)(v) of the IRDAI (Insurance Products) Regulations, 2024, the company will declare a 'Single' Net Asset Value (NAV) for each segregated fund on a day-to-day basis.
2. The company specifies that, in the event of certain force majeure conditions, the declaration of NAV on a day-to-day basis may be deferred and could include other actions as a part of investment strategy (e.g. taking exposure of any Segregated Fund (SFIN) upto 100% in Money Market Instruments [as defined under Schedule III (Part I)(1)(8) of IRDAI (Actuarial, Finance & Investment functions of Insurers) Regulations 2024])
3. The company shall value the Funds (SFIN) on each day for which the financial markets are open. However, the company may value the SFIN less frequently in extreme circumstances external to the company i.e. in force majeure events, where the value of the assets is too uncertain. In such circumstances, the company may defer the valuation of assets for up to 30 days until the company is certain that the valuation of SFIN can be resumed
4. The company shall inform IRDAI of such deferment in the valuation of assets. During the continuance of the force majeure events, all request for servicing the policy including policy related payment shall be kept in abeyance.
5. The company shall continue to invest as per the fund mandates. However, the company shall reserve its right to change the exposure of all or any part of the Fund to Money Market Instruments [as defined under Schedule III (Part I)(1)(8) of IRDAI (Actuarial, Finance & Investment functions of Insurers) Regulations 2024)] in circumstances mentioned under points (3 and 4) above. The exposure of the fund as per the fund mandates shall be reinstated within reasonable timelines once the force majeure situation ends
6. Few examples of circumstances as mentioned [in point 3 & 4 above] are:
 - a) When one or more stock exchanges which provide a basis for valuation of the assets of the

- fund are closed otherwise than for ordinary holidays.
- b) When, as a result of political, economic, monetary or any circumstances which are not in the control of the company, the disposal of the assets of the fund would be detrimental to the interests of the continuing Policyholders.
 - c) In the event of natural calamities, strikes, war, civil unrest, riots and bandhs.
 - d) In the event of any force majeure or disaster that affects the normal functioning of the company.
7. In such an event, an intimation of such force majeure event shall be uploaded on company's website for information
